

# UNPLANNED PARTY

**“When hiding behind the scenes is no longer an option...”**

As an introverted party planner, Emma Toplin’s superpower is to blend. Except on her birthday when she tries to flee the worst public humiliation of her life, but can’t—because someone stole her *Parte`van*. Struggling to shun the media spotlight, prank callers, and her sister, she’s also got a delicious detective on her case who’s a party-favour she doesn’t need.

Newly promoted detective, Ryan Lewis, always follow orders, and it’s his job to trap the *Parte`van*. Yet working with Emma blurs his lines of professionalism, stirring the battle between his heart and his badge.

But when an uninvited guest threatens to wrench them apart, past secrets are revealed at a party that could be Emma’s last...

Unplanned Party is a fun fling, celebrating lives filled with flaws, cocktails, and gallons of glitter.

It's the perfect blend of drama, romance, friendship, and love; where its characters (and pets) are flawed and funny, making the story perfectly relatable to readers who enjoy their heartfelt romance combined in today's women's fiction.
