She plans to work alone.

He wants to be left alone.

What connects them is a country lane that may be their pathway to love—if only they'd stop *irritating* each other.

Recovering from a personal trauma, IT geek, Jessica, stumbles into Heart Springs with one goal in mind. What she hadn't planned on was clashing with the bantering, blue-eyed, hard-bodied, Brett.

Shouldering his own emotional tragedy, Brett prefers the solitude of his farm. Until he discovers his new neighbour, the disagreeable yet desirable Jessica standing in his way.

Over six long weeks of winter, these two torn souls somehow agree to work together. But do they dare act upon their mutual attraction, or will they walk away from each other for good?

From the lush countryside of New South Wales to the harsh Centralian outback, hike into the heart of this sweet, small-town rural romance. Where learning to let go of the past can be the most imperfectly perfect step towards love.
