

# DIAMOND IN THE DUST

*Is love worth stealing home for?*

Drowning in a dusty landscape of broken dreams, a damaged world champion softball player searches for a lost family connection. So, crossing paths with the cheeky but charming caretaker, Alex, isn't what Verily expects to find on her aunt's outback farm.

Alex is torn between selling his soul to join the family business or daring to dream of a bigger future. With Verily holidaying at the farmhouse, she's a curveball he'd love to catch—but she's also a risk to his heart and homelife he'd rather avoid.

Finding himself in a jam, Alex herds Verily into a wild scheme that could propel his dreams into fruition. Until a feud between old friends threatens to derail everything.

With her return tickets booked, can Alex convince Verily to stay or will they find themselves on opposite sides of the globe forever?

From dusty cattle stations to flourishing mango orchards, welcome to the Elsie Creek series, set in a place where the summer never ends.
