ROLLED IN DUST

THE ELSIE CREEK SERIES

MEL A ROWE

When it comes to first and second impressions, they couldn't get any worse. But when a heated moment ends with a kiss — it breaks all the rules.

As Elsie Creek's newest resident, Que is way too jaded to go near any man, let alone Connor, the judgemental jerk next door. Busy trying to fit in, she now has to pretend that kissing the beautiful bad boy meant nothing!

Yet the chemistry Connor shares with the feisty single mother is undeniable. So to avoid the temptation of diving too deep, he'll obey her house rules of no afterschool visits, no talk of the past, and forget a forever future. Perfect for this military man dancing with his own demons, eager to return to base and avoid the small-town gossipers.

That is until trouble crosses boundaries in their very own neighbourhood, threatening everything they love — who will be left standing?

Set in the uniquely rugged and romantic outback, the bestselling Elsie Creek Series is the perfect home for healing hearts and new beginnings.
