

# STOCKMAN'S SANDSTORM

## THE STOCKMEN SERIES #1

WHEN A NEW SINGLE FATHER HIRES A NANNY WHO DOESN'T KNOW WHAT SHE'S DOING...

Living a carefree lifestyle, Ash suddenly discovers he's a single father. Desperate for a decent night's sleep, he enlists the help of a mysterious newcomer, Harper, to become the nanny.

However, the city-loving Harper has set some boundaries:

One: she's agreed to help the cute cowboy with the sweet smile temporarily.

Two: to avoid becoming some babysitter's romantic cliché, Ash isn't allowed to flirt with Harper—a rule Ash struggles to maintain.

But a bigger battle is brewing on the horizon, endangering their family-owned cattle station's very existence...

Don't miss this wild ride of love, laughter, and livestock in this small-town rural romance series, starting with *Stockman's Sandstorm*. This sweet and steamy slow-burn romance is a heartwarming entry into the rugged and romantic outback for those who call Elsie Creek Station home.
