

STOCKMAN'S STOWAWAY

THE STOCKMEN SERIES #2

“Love may be painful at times, but it’s never meant to leave bruises seen on the outside.”

Following a tragic event, Mia Dixon meets Cap Riggs, a muster dog trainer and animal rescuer. With a chance to let the dust clear, Cap offers her a job at his family’s cattle station, where her passion for conserving this harsh outback environment is shared by the man patiently supporting her dreams while stealing soft touches and midnight kisses under the stars.

He was never supposed to fall for her, but from the second he’d laid eyes on her, it was a feeling that took root so fast that Cap would do anything to keep Mia safe. But when his scheming enemies threaten all their futures, Mia may have the answers—if she finds the courage to face her fears.

Stockman’s Stowaway delivers a deeply heartfelt adventure romance that comes with a found family who shows that loving the right people can be that safe space everyone deserves.
